## Writing

A week ago my friend was invited to a royal dinner party at Buckingham Palace by Elisabeth II. The reason why she was invited is that she had saved the cow who had ran away from a palace. Elisabeth II praised her kindness.

At first my friend was nervous. She was just sitting quietly at the table. As soon as the Queen noticed it, she told my friend to sit with her and eat meals. After this they started talking, laughing and eating with each other.

After coming home she told me how impressed she was by people, delicious food and, especially, by Elisabeth II.
